

## **Announcing Dennie Theodore as new VP, Communications & Engagement**

An area of focus at PCU is ensuring we have a strong leadership team with the skills, capabilities and experience to chart our path forward. To that end, we are pleased to announce that Dennie Theodore is joining us (July 2020) as our new VP of Communications & Engagement.

Dennie brings a rich history in banking services, technology, not-for-profit, and leadership. As a skilled communicator and facilitator, she has contributed strategy and change skills to such organizations as TD Bank, Atlantis Systems, Nortel, and AT&T, specializing in employee experience and workplace strategy. Dennie believes that communities are the heart of all we do. She holds degrees from McGill and University of Alberta and is certified in change management.

This is an exciting time for PCU as we all set out to make PCU the best credit union in Ontario. Although there is a lot of change going on, with the addition of new leaders to our team we are better equipped to ensure stability and growth for our members.
