

Announcing Lauren Thompson as new Head & VP Commercial

An area of focus at PCU is ensuring we have a strong leadership team with the skills, capabilities and experience to chart our path forward. To that end, we are pleased to announce that Lauren Thompson is joining us (August 2020) as our new Head & VP of Commercial Banking at PCU.

Lauren brings over a decade of experience in financial services, in support of commercial businesses and entrepreneurs. Prior to PCU, Lauren held senior roles at GE Capital, TD Bank, and the Bank of Montreal. Lauren's broad exposure to various types of lending gives her the ability to effectively balance risk with the commercial objectives of the firm. She believes that success is achieved through thoughtful communication and purposeful action, which in turn drives the execution of strategy. With a degree from McGill University, Lauren will be a strong contributor to growing PCU, whether building our market share with small and mid-sized businesses, or by identifying partnerships that can enhance our commercial offering.

This is an exciting time for PCU as we all set out to make PCU the best credit union in Ontario. Although there is a lot of change going on, with the addition of new leaders to our team we are better equipped to ensure stability and growth for our members.
