

Announcing Terri O'Brien as new CRO

An area of focus at PCU is ensuring we have a strong leadership team with the skills, capabilities and experience to chart our path forward. To that end, we are pleased to announce that Terri O'Brien is joining us (April 2020) as our new Chief Risk Officer (CRO).

Terri is an engaging, dynamic leader, who believes in building diverse and supportive communities. She comes to us with extensive risk and banking experience, having spent over twelve years in progressively senior roles at TD Bank Group and most recently, as the CRO for Interac Corp. Previously Terri worked for ten years at Scotiabank and in briefly for a US Bank. Terri also holds a Bachelor of Commerce degree from Ryerson University.

This is an exciting time for PCU as we all set out to make PCU the best credit union in Ontario. Although there is a lot of change going on, with the addition of new leaders to our team we are better equipped to ensure stability and growth for our members.
